What is a CCCC?

If TCCC means Teller County Catholic Community, what does CCCC mean? If one mark of our parish is friendliness, how can we extend that welcoming style to our own neighborhoods? We have established "Catholic Contact Campaign Captains." We already have 16 captains representing 16 subdivisions in Teller County. There are 43 subdivisions in the county. If you would like to be the one who welcomes a new resident (who has already registered as a Catholic in the parish) to your neighborhood and to your parish, then become a CCCC. Give the office a call at 687-9345 to become a captain.

Food Banks

Don't forget to donate nonperishable food, toiletries, and/or pet food to our local food banks. All of them are in great need due to the economy. In addition to OLW's Emergency Food Center and Community Cupboard, there is a new pet food pantry in Teller County for those in need. They will take any kind of pet food. Please drop off your donations in the baskets at the altar, in the back of the church, and downstairs near the Parish Center and everything will be delivered to the appropriate organization. Thank you for your support.

He took the child by the hand and said to her, “Talitha koum,” which means, “Little girl, I say to you, arise!” The girl, a child of twelve, arose immediately and walked around. At that they were utterly astounded.
